To the Staff and Families of Brandywine Springs School:

The holidays are often thought of as a joyous time, filled with family antics, parties and a strong feeling of good will. Often we forget about those families that are struggling and are overcome with the stress of the holidays

Helping our families this holiday season was fundamentally responsible for

- Reducing stress
 - Finals, papers, sick children, and financial worries are all problems that contribute to our families stress
- Reaffirming to our families that they are not alone in their journey as they work towards their goals
 - Often overlooked are the families that are working hard toward achieving their goals and financial security. In addition to the amazing gifts donated, the school families wrote some very encouraging words that meant a lot to our families.
- Promoting a “pay it forward” mentality.
 - All of our families said they could not wait until they could return the gift they were given and help a family in need one day
- Putting many smiles on the faces of adults and children
 - Parents were smiling with relief and gratitude. Children were smiling with excitement. Staff was smiling with appreciation.

Mom's House staff and families thank you for your selfless acts of kindness shown to the families of Mom's House this Christmas. Our appreciation and gratitude over bound, and we are thankful for the generosity shown by the Brandywine Springs community. It is a testament to the kind hearts overflowing with love that fill the school.

Forever Grateful,

Mom's House Wilmington Family

*A truly Amazing outpouring
of love
Many thanks ♡
- Mary Kay*
